Subject: Engagement Letter

Hi Tom,

I would like to engage your consulting services if you could help me. I have a big situation unfolding here re:

FACEBOOK, public employee speech versus 1st Amendment, vote of no confidence for the Fire Chief, Hurricane Irma, a stand in, impact on Board meetings, communications with board members, open to the public, etc.... (you name it) . It may expand to some 40+ firefighters and I would like to have you on board for your expertise. I

have one FF that we have suspended with pay pending an investigation; others to possibly follow.

Please call me when you can. Cell is (772) 370-1450
